At Vay-Schleich & Meeson Funeral & Cremation Chapels, we have an enormous amount of respect and appreciation for caregivers. The caregiver may be a hospice professional, clergy, a medical or nursing professional, healthcare administrative professional, or anyone else that is seen as an important caregiver in our community.

In an effort to recognize these dedicated workers for their selfless devotion and generosity, we have created our “Caring for Caregivers” program. Each month, we will honor a caregiver from nominations received from peers, friends, and others who feel a particular caregiver excels in his or her profession.

Please use the form to nominate and recognize an important caregiver, so we can honor that person through recognition and a special gift.
